

Social Media Intern – University Baptist Church
1223 W. Main St., Charlottesville, Virginia, 22903

University Baptist Church is seeking a Social Media Intern to support church marketing and outreach, and to assist in brand consistency across platforms. Intern will be responsible for creation of marketing materials, including event graphics and advertising, and content for church Instagram and Facebook accounts. Intern will create weekly and monthly calendars for posts as well as photograph and post live from certain church events. Intern will work alongside our church Video Coordinator to transition clips from worship services to short-form videos. The ideal candidate will also be capable of assisting in or leading a redesign of our church website.

Because the Social Media Intern will be responsible for responding to comments and DMs on social media platforms, UBC is seeking someone with a basic understanding of the theological perspective of University Baptist Church. UBC is a progressive community of faith, seeking to be an authentic community of Christians who love and care for each other as a family. UBC openly welcomes and includes all people regardless of age, background, disability, ethnicity, gender, race, or sexual orientation. We believe that all people have important gifts to share in God's family, and we celebrate and affirm the life of all those who join with us in the journey of following Jesus Christ.

Pay for the Social Media Intern is set at \$15 per hour, and working hours will range between two to ten hours per week, depending on event needs. This is a one semester position beginning immediately, with the option to renew the position for future semesters.

Please send resume and cover letter to Rev. Val Fisk, Associate Minister for Students, vfisk@universitybaptist.org. Applicants should include examples of relevant past work, either via images and documents in a Google Drive, Dropbox link, and/or links to social media accounts you manage.
